APPLICATION TO INTERVENE

Comes now Noranda Aluminum, Inc., hereafter referred to as "Noranda", and pursuant to 4 CSR 240-2.075 and 4 CSR 240-2.080, files its Application to Intervene. In support of its Application to Intervene, Noranda states as follows:

2. Atmos' filing in this case could impact the rates and terms and conditions of service of its large customers.
3. As a large customer, Noranda's interest in this case is different than that of the general public.
4. Noranda does not yet have sufficient information to take a position regarding Atmos' application, but reserves the right to take positions on all issues that may affect Noranda in this case.
5. Granting Noranda's proposed intervention would serve the public interest by assisting the development of a more complete record for decision by the Commission.

WHEREFORE, Noranda requests that the Commission grant its Application to Intervene herein and make it a party to this case for all purposes.

Respectfully submitted,
