**Re: Case No. GA-2003-0492
Tariff No. YG-2004-0223**

FILED
OCT 02 2003
Missouri Public
Service Commission

Dear Sir:

On August 25, 2003, Missouri Gas Energy, a Division of Southern Union Company ("MGE") filed a proposed tariff sheet in the referenced case for the purpose of describing the route of the gas supply line authorized by the Commission. The proposed tariff sheet carried an issue date of August 25, 2003, and a proposed effective date of September 25, 2003. On September 23, 2003, the Commission issued its Order Suspending Tariff wherein, it suspended the tariff sheet "for a period of 30 days to allow MGE an opportunity to submit a revised tariff including the legal description of the route of the [supply] line."

In response to the Commission order and on behalf of MGE, I hereby withdraw the tariff sheet that was the subject of the referenced Order Suspending Tariff, and provide to the Commission for filing an original and eight copies of this letter.

Additionally, enclosed for filing on behalf of MGE please find three (3) copies of the following tariff sheet:

P.S.C. MO. No. 1, First Revised Sheet No. 6.7, canceling P.S.C. MO. No. 1, Original Sheet No. 6.7

The proposed tariff sheet contains an issue date of October 2, 2003, and a proposed effective date of November 1, 2003. The purpose of this filing is to comply with the Commission order issued in this case. Accordingly, the proposed tariff sheet contains a legal description of the route of the supply line as suggested by the Commission's Order Suspending Tariff.

Secretary
Missouri Public Service Commission
