Case No. CO-2003-0162

**STAFF SUGGESTIONS IN SUPPORT OF STIPULATION AND AGREEMENT**

COMES NOW the Staff of the Missouri Public Service Commission and for its suggestions states:

1. On October 31, 2002, Green Hills Area Cellular Telephone, Inc. d/b/a Green Hills Telecommunications Services (GHTS) filed its application for designation as an eligible telecommunications carrier with respect to Federal Universal Service support pursuant to Section 254 of the Telecommunications Act of 1996, codified at 47 U.S.C. Section 254, and the implementing regulations of the Federal Communications Commission.
2. On November 14, 2002, the Office of the Public Counsel (Public Counsel) filed a motion requesting an evidentiary hearing in this matter.
3. On December 3, 2002, the Missouri Independent Telephone Group (MITG) filed an Application to Intervene.
4. On December 10, 2002, the Staff recommended that the Commission approve GHTS's application for designation as a telecommunications company carrier eligible for

Federal Universal Service support and deny Public Counsel's motion requesting an evidentiary hearing.

5. On January 9, 2003, GHTS, Public Counsel, MITG, and Staff filed a Stipulation and Agreement recommending that the Commission designate GHTS as a telecommunications carrier eligible under the provisions of 47 CFR 54.201(d) to receive Federal Universal Service support in the Norborne exchange.

6. The Stipulation and Agreement neither adds nor subtracts from the Staff's recommendation that GHTS should be designated as an eligible telecommunications carrier in the Norborne exchange. Paragraph 15 of the Stipulation and Agreement provides, in part:

In the event that the Commission accepts the specific terms of this Stipulation and Agreement, the parties and participants waive, with respect to the issues resolved herein, their respective rights pursuant to §§ 536.070(2) and 536.080.1, RSMo 2000, to present testimony, to cross-examine witnesses, to present oral argument or written briefs, their respective rights to the reading of the transcript by the Commission pursuant to § 536.080.2, RSMo 2000, and their respective rights to seek rehearing pursuant to § 386.500, RSMo 2000, and their respective rights to seek judicial review pursuant to § 386.510, RSMo 2000.

In the Staff's view, this provision disposes of without deciding Public Counsel's claim that it is entitled to a hearing where there is no dispute.<sup>1</sup>

WHEREFORE, for the reasons stated in Staff's Response To Public Counsel's Motion For Evidentiary Hearing And Staff's Recommendation, filed on December 10, 2002, the Staff recommends that the Commission approve GHTS's application for designation as a telecommunications company carrier eligible for Federal Universal Service support in the Norborne exchange.
