OFFICE OF THE SECRETARY  
PUBLIC SERVICE COMMISSION

Mr. Harvey G. Hubbs, Secretary  
Missouri Public Service Commission  
Post Office Box 360  
Jefferson City, Missouri 65101

Dear Mr. Hubbs:

Enclosed herewith for filing with the Missouri Public Service Commission ("Commission") is revised tariff sheet P.S.C. Mo. No. 5 Consolidated, Seventh Revised Sheet No. 10.

This revised tariff sheet specifies certain special contract gas rates which were inadvertently omitted from the revised Sheet No. 10 in Laclede's tariff filing on May 21, 1987. The base commodity charge for both the Southwestern Bell Telephone and Special Partial Requirements Large Volume Gas contracts is reduced by .612¢ per therm effective July 1, 1987, based on the decrease applicable to the large volume rate in Laclede Gas Company Case No. G087-147 and Case No. A087-48.

Laclede requests that the Commission act expeditiously and grant all waivers to permit these rates to become effective so that Laclede has the proper tariff authority to bill these special contract customers.

I am furnishing you with three (3) copies of this filing, one of which I hereby request be stamped and returned to confirm that this revised tariff sheet has been placed on file.

Laclede apologizes for any inconvenience this may cause the Commission.

Sincerely,

Gerald T. McNeive  
Associate General Counsel
