## ORDER SETTING TIME FOR RESPONSE

Issue Date: November 16, 2010

Effective Date: November 16, 2010

The Missouri Public Service Commission is setting a deadline for filing responses to the *Motion to Approve Tariff Filing on Less than Thirty Days' Notice and Motion for Expedited Treatment* ("the motion") and the accompanying tariff sheet ("the tariff").

Laclede Gas Company ("Laclede") filed the motion and the tariff on November 15, 2010. In the motion, Laclede represents that the tariff has the support of Staff and the Office of Public Counsel, and that no party objects to the motion and tariff. Nevertheless, the Commission's regulations allow a response. But, in the motion, Laclede also seeks an effective date of November 26, 2010, for the tariff.

Therefore, the Commission will not require any response, but will allow responses within a time shortened from the maximum set by regulation.<sup>1</sup>

### THE COMMISSION ORDERS THAT:

1. Any response to the *Motion to Approve Tariff Filing on Less than Thirty Days' Notice and Motion for Expedited Treatment* and the accompanying tariff sheet shall be filed no later than November 19, 2010.
