

In the Matter of Union Electric Company, d/b/a )  
AmerenUE's Purchased Gas Adjustment (PGA) ) **File No. GR-2010-0180**  
Factors. ) Tariff No. YG-2010-0608

<sup>2</sup> Section II(B)(5) of P.S.C. 6th Revised Sheet No. 25.

Rolla service area. AmerenUE represents that without the waiver the rate will be calculated incorrectly.

The Commission established a filing deadline of April 23, 2010, for its Staff's recommendation and for any other responses to AmerenUE's tariff and the motion for expedited treatment. Staff filed its recommendation on April 23, 2010. No other responses were filed.

Staff recommends that the Commission grant the waiver and authorize the tariff sheets to become effective on May 1, 2010, on an interim basis, subject to refund. In Staff's opinion, this tariff filing is in conformance with AmerenUE's PGA clause, with the exception of the provision for which it is requesting the waiver.

The proposed changes result in the following decreases:

Area	Current PGA per ccf	Proposed PGA per ccf	Decrease per ccf
Panhandle Eastern Pipe Line Company (Columbia, Jefferson City, Mexico, and Wentzville)	\$0.7500	\$0.7100	\$0.04
Texas Eastern Transmission Corporation (Cape Girardeau)	\$0.7500	\$0.7100	\$0.04
Natural Gas pipeline company of America (Marble Hill)	\$0.7500	\$0.7100	\$0.04
MoGas Pipeline, LLC (Rolla, Salem, and Owensville)	\$1.3000	\$0.8700	\$0.43

The Commission has reviewed the proposed tariff sheets and Staff's recommendation. The Commission finds that the proposed tariff sheets conform to AmerenUE's Commission-approved PGA clause with the exception of the calculation for which AmerenUE requests a waiver. In addition, because AmerenUE's transportation charges will decrease pursuant to the settlement with MoGas Pipeline in the FERC proceeding, the Commission finds good cause exists to grant AmerenUE a waiver from its

tariff provision and to allow the PGA change to take effect on less than 30-day's notice. The Commission concludes that the proposed tariff sheets should be approved to become effective on May 1, 2010, on an interim basis, subject to refund, pending final Commission decisions in File Nos. GR-2010-0180, GR-2009-0337, GR-2008-0366, and GR-2008-0107.
