ORDER DIRECTING FILING

Issue Date: November 28, 2005

Effective Date: November 28, 2005

On November 2, 2005, the Missouri Public Service Commission issued an order directing the parties in this matter to submit answers to questions posed by the Commission. In that order, the Commission directed Ronald Kitchen to also state whether or not he wishes the Commission to decide this matter based on the facts as presented to the Commission or if he desires an evidentiary hearing. Although Complainant responded to the questions posed by the Commission, he did not state whether he wishes to have a hearing in this matter. The Commission will therefore require Complainant to file a statement as described above. Further, the Commission informs Complainant that if he does not respond to this order, the Commission will proceed on the facts as they have been set out in the pleadings.

IT IS THEREFORE ORDERED:

1. That Ronald Kitchen shall file, no later than December 9, 2005, a statement of whether or not he wishes the Commission to decide this matter based on the facts before the Commission or if he desires an evidentiary hearing.

2. That this order shall become effective on November 28, 2005.
