PROPOSED PROCEDURAL SCHEDULE

COMES NOW the Staff of the Missouri Public Service Commission (Staff) and on behalf of the parties to the case, with the exception of the Office of the Public Counsel, states:

1. On November 21, 2007, Renee Anderson (Ms. Anderson or Complainant) filed a formal complaint case against Laclede Gas Company (Laclede or Company) stating that the Company is holding her liable for an outstanding account balance for service provided at 4946 Geraldine, St. Louis, Missouri, pursuant to the benefit of service rule.

2. Ms. Anderson asserted that Laclede established service in the name of Kevin Jackson at 4946 Geraldine from June 30, 2005 through September 13, 2007, and that the Company has not attempted to collect the unpaid bill from Mr. Jackson.

3. In compliance with the Commission's January 22, 2008 Order Scheduling Prehearing Conference, the parties met and discussed the issues in this case.

4. The parties agreed to provide an issues list with position statements by May 2, 2008. The parties also agreed that an on-the-record hearing be scheduled for Friday May 9, 2008, beginning at 10 am.

The parties may engage in informal settlement discussions prior to this hearing date and if agreement is reached, the parties will inform the Commission.

WHEREFORE, on behalf of the Parties, Staff recommends the Commission establish the procedural schedule set forth in paragraph 4 above.

Respectfully submitted,
