

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

The Staff of the Missouri Public Service Commission,

Complainant,

v.

Missouri Gas Energy, a division
of Southern Union Company,

Respondent.

File No. GC-2009-0036

ORDER GRANTING EXTENSION OF TIME

Issue Date: April 1, 2009

Effective Date: April 1, 2009

This case, which involves an issue of language in MGE's currently effective tariff regarding the limitation of MGE's liability, has been delayed while Staff worked on issues of a similar nature with Laclede Gas Company in Case No. GT-2009-0056. On March 30, 2009, Staff reported that it is still working with Laclede to come to an agreement on appropriate language. Staff states that a resolution of the appropriate tariff language for Laclede will have a bearing on what Staff believes should be the appropriate tariff language for MGE, and asks that the Commission allow the parties to continue discussions. Staff requests an extension of time to file a proposed procedural schedule until April 30, 2009.

The Commission has considered Staff's status report and finds it reasonable to grant a further extension of time.

THE COMMISSION ORDERS THAT:

1. No later than April 30, 2009, the Staff of the Commission shall file either a further status report or a proposed procedural schedule.
2. This order is effective upon issuance.
