**FEDERAL EXECUTIVE AGENCIES' REQUEST TO INTERVENE AND MOTION
FOR ADMISSION OF COUNSEL PRO HAC VICE AND DESIGNATION OF
ASSOCIATE COUNSEL**

Pursuant to this Commission's Rules of Practice and Procedure, 4 C.S.R. 240-2.075, the Federal Executive Agencies (FEA) hereby submits this Request for Intervention and Motion for Admission of Counsel Pro Hac Vice and designation of associate counsel in the aforementioned Docket. A check for \$100 has been sent to the Clerk of the Missouri Supreme Court for the request of entry of appearance as associate counsel.

The FEA consists of certain agencies of the United States Government which have offices, facilities, and or installations in the service area of KCP&L Greater Missouri Operations Company (GMO), and which offices, facilities, and/or installations purchase utility service from GMO. The Department of Defense has been delegated authority by the General Services Administration, through Department of the Air Force counsel, to represent the consumer interests of the FEA in this proceeding.

Chief among these Federal customers in this case is Whiteman Air Force Base, Missouri, which spends nearly \$4,500,000 per year for utility services provided by GMO. Electricity costs represent one of the largest variable expenses of operating the Federal offices, facilities, and installations on whose behalf intervention is sought herein, and all will be affected by any action this Commission takes in this Docket. For the above-mentioned reasons, the FEA have a substantial interest in this Docket.

No one who practices in my office has been disqualified from practicing in any jurisdiction to which they are or have been admitted. I hereby designate Steven E. Jones, Lieutenant Colonel, US Air Force Reserve (USAFR), 1104 Southeast Talonia Drive, Lee's

Summit, MO, Phone No.: (816) 682-3342, Missouri Attorney Bar No.35583, as associate counsel. However, please note that Lieutenant Colonel Jones does not need to be served filings in the Docket.

The FEA request intervention solely in their capacity as customers of GMO. The counsel filing this petition is the duly authorized representative of the FEA in GMO's service area. The name, address, telephone number, and other relevant information pertaining to Petitioner's counsel of record for purposes of service and correspondence during the course of this proceeding is:

WHEREFORE, the FEA request that the Commission grant the Request to Intervene and that the FEA be accorded full party status in the above-mentioned Docket.

Respectfully submitted this 30th day of June, 2010.
