

PRSRT STD U.S. POSTAGE PAID EARTHLINK

Now you can get high-speed Internet for your business. You are prequalified for High Speed Business DSL service!

Dear

You may be a small business, but that doesn't mean you can't compete with big companies. Get the tools you need to be competitive with EarthLink High Speed Business DSL.

#### You've got to be fast to compete in today's business climate,

The last thing you need is a connection that can't keep up with your needs. Every day, you either gain or lose productivity as you utilize the Internet to do business. With EarthLink High Speed Business DSL, you can perform Web research, large file transfers, videoconferencing, and e-commerce. You can also run email applications and host Web servers at speeds up to 35X times faster than dial-up (based on average speed of a 28.8K and 56K modem).\* And you can link everyone in your office to the Internet through one high-speed connection!

#### With FREE installation and hardware, you'll save \$624\*\* when you order EarthLink High Speed Business DSL by July 31, 2004!

Your location is already prequalified for business DSL. Call 1-866-576-8466 or visit www.highspeed-dsl.com to order High Speed Business DSL now. Mention code 1019834 before the deadline and, with limited-time rebates, you will save \$624. But that's not all that EarthLink High Speed Business DSL has to offer! You'll get:

- Instant T1-like connection and speed
- Built-in firewall and virtual private networking capabilities
- · Reliable connection with 99.9% uptime service level agreement
- Full-office connectivity

(over, please)

- 24/7 award-winning, toll-free customer service and support
- · 8 static IP addresses and 25 email boxes with EarthLink spamBlocker
- FREE unlimited EarthLink dial-up roaming access

And EarthLink High Speed Business DSL can be less expensive than you'd think. A faster Internet connection is affordable for almost any business. And with these limited-time rebates, why wait?

#### This offer ends soon, so call now!

Stop waiting on your Internet connection! Call 1-866-576-8466 before July 31, 2004, to get High Speed Business DSL with FREE installation and hardware. Call today!

Sincerely,

Mike Lunsford

Executive Vice President
