January 30, 2006

Secretary of the Commission  
Missouri Public Service Commission  
200 Madison Street, Suite 100  
Jefferson City, MO 65102-0360

The accompanying tariff sheets issued by Union Electric Company d/b/a AmerenUE ("AmerenUE" or the "Company"), are being transmitted to you for filing as a revision of Schedule No. 2, Schedule of Rates for Gas Service:

Filed  
3<sup>rd</sup> Revised Sheet No. 78  
2<sup>nd</sup> Revised Sheet No. 79

Canceling  
2<sup>nd</sup> Revised Sheet No. 78  
1<sup>st</sup> Revised Sheet No. 79

These sheets are issued January 30, 2006 to become effective on and after March 1, 2006.

It was decided to release more funds for the program due to customer response. These revised sheets increase the amount of dollars available for AmerenUE's Missouri Energy Efficient Natural Gas Equipment Rebate Program. The program is designed to encourage more effective utilization of natural gas by encouraging energy efficiency improvements through the replacement of inefficient natural gas equipment with high efficient Energy Star rated natural gas equipment. The Company's participation in such financial incentives is limited to funds allocated for that purpose by the Residential and Commercial Energy Efficiency Collaborative pursuant to the Stipulation and Agreement approved by the Missouri Public Service Commission in Case No. GR-2003-0517.

The Company is requesting expedited treatment of these tariffs with an effective date of February 13, 2006, in order to keep the program active per decision of the members of the Collaborative.

Sincerely,

A handwritten signature in black ink that reads "Steven R. Sullivan" followed by a stylized monogram "AMS".
