Dear Chairman Gunn,

I am writing on behalf of my constituent Pat Fribis. She owns the business enterprise called House Springs Sewer. In May of this year she applied to your Commission for a rate increase. The company's last rate increase was in 2000.

Pat's company has an arrangement with the City of Byrnes Mill to treat her wastewater. The City has raised the rate that they charge her. This increase to her is already in effect.

I am writing to respectfully request that you do all that you can to expedite the consideration of her application. Thank you for your consideration.

Sincerely yours,

A handwritten signature in blue ink, appearing to read "J. Lembke".
