**JOINT MOTION FOR ORDER  
NUNC PRO TUNC REGARDING  
PROCEDURAL SCHEDULE DEADLINE**

**COME NOW** Staff of the Missouri Public Service Commission (“Staff”), Constellation NewEnergy-Gas Division, LCC, the Midwest Energy Consumers Group (MECG), the Missouri School Board Association (MSBA), Symmetry Energy Solutions,<sup>1</sup> who, under 20 CSR 4240-2.160(4), hereby jointly request that the Commission issue an Order *Nunc Pro Tunc* either clarifying or correcting a discrepancy between the due date for True-up Information Provided to Parties proposed in the *Non-Unanimous Joint Proposed Procedural Schedule* filed on May 6, 2022 and the True-up Information Provided to Parties date in the Commission’s May 18, 2022 *Order Establishing Procedural Schedule, Establishing Test Year, and Other Procedural Requirements* (“Procedural Order”). In support of their Joint Motion, the undersigned parties state as follows:

1. On May 6, 2021, six of the parties to this case submitted their *Non-Unanimous Joint Proposed Procedural Schedule* (“Joint Proposal”). On that same day Spire Missouri Inc. d/b/a Spire (“Spire”) filed its own proposed procedural schedule that requested the Commission adopt an expedited procedural schedule

---

<sup>1</sup> The Office of the Public Counsel and WoodRiver Energy, LLC, indicated they do not oppose this motion.

2. The Commission then adopted the procedural schedule contained in the Joint Proposal, with some minor modifications, in its May 18, 2022 Procedural Order. The Procedural Order adopted the True-Up Information Provided to Parties date of October 21, 2022 that was in the Joint Proposal but did not include footnote 1 that stated the following:

“This date [True-Up Information Provided to Parties October 21, 2022] is based on Staff’s proposal for a True-Up Period ending September 30, 2022. **Information through August 31, 2022, shall be provided by September 30, 2022.**” [Emphasis added].

3. Staff and the parties to this motion believe this may have been a scrivener’s or clerical error and the Commission did not intend to exclude the relevant bold language of footnote 1 in its Procedural Order setting a deadline of September 30, 2022, for True-Up information through August 31, 2022.

4. The Commission is empowered to correct its orders *nunc pro tunc*. 20 CSR 4240-2.160(4). The Staff and the parties to this motion hereby request that the Commission do so by attaching the bold wording of footnote 1 to the True-Up Information Provided to Parties date of October 21, 2022 in its Procedural Order.

**WHEREFORE**, the undersigned parties respectfully request that the Commission correct the Procedural Order *nunc pro tunc* as outlined herein.

Respectfully submitted,
