**RE: Case No. ER-2005-0450**

Dear Ms. Dale:

Filed through EFIS are the steam tariff sheets described on the following page. These tariff sheets are filed on behalf of Aquila, Inc., d/b/a Aquila Networks – L&P (“L&P”), in order to comply with Ordered paragraph No. 4 of the Missouri Public Service Commission’s (“Commission”) Order Regarding Stipulation and Agreement (“Order”) in connection with Case No. HR-2005-0450. The tariff sheets have an effective date of March 30, 2006.

Aquila requests that the Commission approve these tariff sheets on less than 30 days notice, specifically to become effective on March 6, 2006. This is in accord with paragraph No. 4 of the Stipulation and Agreement, which is Attachment 1 to the Order. That paragraph says in part, “The Signatory Parties agree to a goal of a March 1, 2006 effective date for the tariff sheets agreed to herein,” said tariff sheets “to have an effective date of March 1, 2006, *or such other date as is ordered*, less than thirty (30) days from the filing date, without the necessity of Aquila filing a separate motion seeking such authorization.” A Motion for Expedited Treatment concerning this matter will also be filed in an abundance of caution.

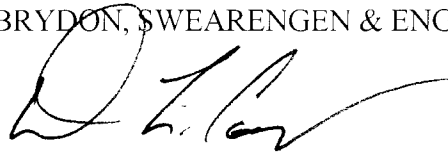

Please note that if the Commission chooses an effective date other than March 6, 2006, Aquila can implement the change in its billing system within a day due to the minimal number of rates affected in this case.

If you have any questions concerning this matter, then please do not hesitate to contact me.

Sincerely,

BRYDON, SWEARENGEN & ENGLAND, P.C.
