ORDER MOVING TARIFF FILING AND MOTION INTO A NEW FILE

Issue Date: April 30, 2012

Effective Date: April 30, 2012

On April 26, 2012, Union Electric Company d/b/a Ameren Missouri, filed a tariff and accompanying motion to change the evaluation schedule established for its low income weatherization program in the company's last rate case, File Number ER-2011-0028. Ameren Missouri filed that motion and tariff in File Number ER-2011-0028. As that case is currently under appeal, the Commission will move the tariff filing and Ameren Missouri's motion into a new case file. In that way, the Commission will avoid confusing the record on appeal by issuing a substantive order in a case that is under appeal.

THE COMMISSION ORDERS THAT:

1. The Commission's Data Center shall remove tariff filing number JE-2012-0621 and Ameren Missouri's Request for Change in Evaluation Schedule for its Low Income Weatherization Program from File Number ER-2011-0028 and place them in File Number ET-2012-0358.

2. This order shall become effective immediately upon issuance.
