Normalization Adjustment Rider Tariff	)	

**NOTICE THAT WNAR TARIFF WILL  
GO INTO EFFECT BY OPERATION OF LAW**

Issue Date: September 23, 2021

On August 31, 2021, Liberty Utilities (Midstates Natural Gas) Corp. d/b/a Liberty filed proposed revisions to its tariff under Tracking Number JG-2022-0044. On September 10, 2021, Liberty filed substitute tariff sheets which addressed two concerns raised by the Staff of the Missouri Public Service Commission (Staff). The tariff sheets have a proposed effective date of October 1, 2021. This order addresses the tariff sheets as substituted.

The tariff sheets would revise Liberty's weather normalization adjustment rider (WNAR), and are a mandatory semi-annual filing pursuant to Liberty's WNAR tariff, which went into effect on July 1, 2018. This is Liberty's seventh WNAR filing. The purpose of the WNAR tariff is to adjust revenues, either positive or negative, for differences between actual heating degree days and normal heating degree days.

On September 13, 2021, Staff filed its recommendation. Staff explains that because the previous adjustment period experienced cooler weather than normal in Liberty's rate districts, the proposed WNAR adjustment would decrease the average

monthly bill, based on 100 Ccf of natural gas usage in a given billing month, of the typical residential customer by an approximately:

\$1.29 in the Northeast District;  
\$1.29 in the West District; and  
\$1.07 in the Southeast District.

Staff recommends the Commission approve the tariff sheets.

The Commission set a deadline for responses to the application or Staff's recommendation. No other party responded or opposed approval of the tariff sheets.

Based on its review of the tariff sheets and Staff's verified recommendation and memorandum, the Commission will take no action and the tariff sheets filed by Liberty Utilities (Midstates Natural Gas) Corp. d/b/a Liberty on August 31, 2021, as substituted on September 10, 2021, and assigned Tracking Number JG-2022-0044, will become effective on October 1, 2021, by operation of law. The tariff sheets that will take effect are:
