P200500298	Samuel	Evans	Catawissa	MO	Opposed to rate increase. Water tastes bad, low water pressure, no notice when water is being shut off.	PSC	SJ	Pressure was checked on 7/6/05 and registered 38 psi. Was not able to contact customer-name listed on public comment form is not a customer of the Company and does not reside at that adress.
P200500371	Ed	Blase		MO	(JMR) Customer is not happy with the size of PSC the rate increase.		JMR	Talked to customer about the small company informal rate increase process.
