File No. GX-2010-0220

ORDER CLOSING RULEMAKING CASE

Issue Date: January 25, 2010

Effective Date: January 25, 2010

On January 21, 2010, the Staff of the Commission filed a letter and draft rule concerning its proposal to establish a rule regarding the purchased gas adjustment / actual cost adjustment (PGA/ACA) process. The Commission's electronic filing system opened this GX rulemaking case to contain Staff's filing. On January 22, Staff filed a motion indicating its intent to open a working case rather than a formal rulemaking case. The motion asks the Commission to close this case and open a working case in its place. The Commission will do so.

The Commission has opened File No. GW-2010-0224 as the working case requested by Staff. The filings in GX-2010-0220 will be transferred into the new case.

THE COMMISSION ORDERS THAT:

1. The Commission's Data Center shall transfer the filings in File No. GX-2010-0220 into File No. GW-2010-0224.
2. File No. GX-2010-0220 shall be closed.

3. This order shall become effective immediately upon issuance.
