**MGE SUBMISSION REGARDING SCHOOL TRANSPORTATION PROGRAM**

COMES NOW Missouri Gas Energy, an operating unit of Laclede Gas Company ("MGE"), and files this submission regarding MGE's School Transportation Program ("STP"), stating as follows:

1.     On January 14, 2015, the Commission issued its Order Establishing ACA Balance in the referenced case. In connection with the Staff's request for an explanation as to why MGE is not able to monthly balance STP customers, the Commission directed Laclede to provide such an explanation. Laclede accordingly sent its explanation to Staff. However, Staff recommended that Laclede also file the explanation in this case, which Laclede agreed to do. Attached hereto is the explanation provided to Staff, filed as HC as it contains information specific to the schools' aggregator.

**WHEREFORE**, Laclede respectfully requests that the Commission accept this filing in compliance with its January 14 Order in this case.

Respectfully submitted,
