

BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI

In the Matter of Union Electric Company d/b/a)	
AmerenUE's Tariff Establishing an Industrial)	<u>Case No. ET-2007-0459</u>
Demand Response Program)	Tariff No. YE-2008-0262

ORDER EXTENDING SUSPENSION OF AMERENUE'S OBLIGATION TO
FILE DIRECT TESTIMONY

Issue Date: January 15, 2008

Effective Date: January 15, 2008

The procedural schedule for this case originally required Union Electric Company, d/b/a AmerenUE to file direct testimony supporting its challenged Industrial Demand Response tariff by December 21, 2007. On December 21, acting on a motion filed by AmerenUE, the Commission suspended that requirement of the procedural schedule until January 11, 2008, to allow AmerenUE and the other parties time to finalize an agreement on the design of that tariff. On January 11, AmerenUE filed a motion indicating the parties are still working on final language for the tariff. The motion asks the Commission to extend the required filing date to January 18, and represents that the other parties do not object to the request for additional time.

The Commission finds the request for more time to be reasonable and will grant the motion.

IT IS ORDERED THAT:

1. Union Electric Company, d/b/a AmerenUE shall file either a revised Industrial Demand Response tariff, or its direct testimony supporting its current tariff, no later than January 18, 2008.
2. This order shall become effective on January 15, 2008.
