MOTION FOR CLARIFICATION OF TIME TO FILE
OR FOR ADDITIONAL TIME

COME NOW Respondent Woodland Manor, LLC and seeks clarification of the Commission's Order dated August 6, 2012 setting the time for filing of comments to the Recommended Decision as not later than August 17, 2012. It was understood that said Order took into consideration the relative complexity of the issues and the deadline setting for a date greater than ten days from August 3, 2012 was set for good cause. Respondent seeks clarification that the August 6, 2012 Order is valid and issued for good cause, and that no further motion by Respondent is necessary. However, should a motion for additional time (beyond August 13, 2012) be required, Respondent herein respectfully request until August 17, 2012 to file their comments to the Recommended Decision. Respondent notes it anticipates filing comments on or before August 15, 2012.
