On March 2, 2021, Spire Missouri Inc. Spire Missouri projects that for the average Spire East residential customer, this filing represents a charge of 67 cents per month, which is equal to an increase of about 0.87% per month from existing rates. For the average Spire West residential customer, the WNAR represents a charge of 66 cents per month, or an increase of about 0.74% per month from existing rates.

The tariff sheets filed under YG-2021-0163 and YG-2021-0164 bear an April 1, 2021 effective date.

The Commission will direct the Staff of the Commission to file a recommendation, and will establish a deadline for any other entity to file a response to the proposed tariff changes. Anticipating a March 17, 2021 Agenda meeting for review of this file, the time frames will be compressed.
