Dear Mr. Henderson:

Enclosed is AmerenUE's first quarter 2008 vegetation management report for AmerenUE distribution lines in Missouri. On both worksheets, the number at the bottom of each column in bold is the actual line miles completed between December 31, 2007, and March 29, 2008. For 2008, AmerenUE has 4,325 distribution line miles scheduled under performance management with our vendors. As of March 29, 2008, 1,054 distribution miles have been completed or 24.4% year to date.

Sincerely,
