NOTICE CLOSING CASE

Issue Date: November 6, 2009

On October 14, 2009, the Commission approved a tariff filed by Union Electric Company d/b/a AmerenUE to withdraw its industrial demand response program. While approving the tariff, the Commission directed AmerenUE to respond to Public Counsel's request that the Commission order the company to conduct and file an evaluation of the now withdrawn industrial demand response program, as it was required to do under the terms of the tariff. AmerenUE responded on October 26, indicating it has now provided the requested evaluation to Public Counsel and other interested stakeholders.

Since AmerenUE has provided the requested evaluation, nothing remains for decision by the Commission, and this case shall be closed.
