ORDER APPROVING EXPEDITED TARIFF

Issue Date: November 1, 2007

Effective Date: November 2, 2007

On October 26, 2007, Union Electric Company, d/b/a AmerenUE, filed a revised tariff that would provide a financial rebate to customers who choose to install a safe connection system for backup electric generation equipment. AmerenUE initially filed this revised tariff on October 2, with a November 2 effective date. However, the company withdrew that tariff to make modifications requested by the Commission's Staff and the Office of the Public Counsel. The tariff carries a November 25 effective date, but AmerenUE filed a motion asking the Commission to approve the modified tariff to go into effect on November 2, as originally planned. The motion represents that neither Staff, nor Public Counsel, object to the motion or the tariff.

The Commission's Staff filed an expedited recommendation regarding the proposed tariff on October 31. Staff recommends the Commission grant AmerenUE's request for expedited treatment and approve the tariff, with an effective date of November 2.

Based on the recommendation of its Staff, the Commission will approve the submitted tariff on an expedited basis.

IT IS ORDERED THAT:

1. The following tariff sheets filed October 26, 2007, and assigned Tariff No. YE-2008-0276, are approved to become effective on November 2, 2007:

PSC Mo. No. 5

4th Revised Sheet No. 194, Cancelling 3rd Revised Sheet No. 194
6th Revised Sheet 195, Cancelling 5th Revised Sheet 195

2. This order shall become effective on November 2, 2007.
3. This case shall be closed on November 3, 2007.
