NOTICE OF CORRECTION AND NOTICE CLOSING CASE

Issue Date: November 2, 2009

On October 21, 2009, the Commission issued an Order Approving Tariff Filing with Clarification. On October 22, 2009, Union Electric Company d/b/a AmerenUE filed a motion for clarification objecting to a sentence in footnote two of the order. That sentence read: "However, AmerenUE has not changed its position that its BEEP programs are commission-approved demand-side programs proposed pursuant to the Missouri Energy Efficiency Investment Act." AmerenUE, having withdrawn tariff sheet number 225 referencing this prior position contends the statement is factually inaccurate and seeks its removal from the order. No party has responded to AmerenUE's motion.

The Commission finds the sentence to be in error and the order is accordingly corrected by striking the sentence nunc pro tunc. No further action in this matter is required by the Commission and the file shall be closed.
