Portions of Its Tariffs Related to) File No. EE-2020-0290
Reconnection and Late Payment Fees.)

CORRECTED NOTICE

On March 18 2020, the Missouri Public Service Commission ("Commission") issued in this case its *Order Approving Variance* ("*Order*"). In that *Order*, the Commission granted Union Electric Company d/b/a Ameren Missouri ("Ameren Missouri" or "Company") variance from its Tariff Sheet Nos. 136 and 145, which addresses the assessment of late payment fees and reconnection fees, respectively. The *Order* also requires Ameren Missouri to submit a notice in this proceeding in advance of the notice it provides to customers that these fees will be reinstated. On June 25, 2020, Ameren Missouri submitted notice which incorrectly categorized the notice start dates for customer groups. Ameren Missouri has determined that it will reinstate these fees as of July 15, 2020, for non-residential customers, and August 3, 2020, for residential customers. The Company is also providing this corrected information to the press in its electric service territories.

Respectfully submitted,

**UNION ELECTRIC COMPANY
D/B/A AMEREN MISSOURI**
