**ORDER SETTING LOCAL PUBLIC HEARINGS**

Issue Date: November 17, 2022

Effective Date: November 17, 2022

On August 1, 2022,<sup>1</sup> Union Electric Company d/b/a Ameren Missouri filed tariff sheets designed to implement a general rate increase for its electric services. On September 28, the Commission issued an order setting a procedural schedule, including an evidentiary hearing in this matter, but did not set out a detailed schedule for local public hearings.

On October 7, Public Counsel submitted proposed language to be included in the notice of local public hearings to be sent to Ameren Missouri's customers. No other party opposed that proposed language. On October 11 and 12, various parties filed proposed locations for a mix of virtual and in-person local public hearings.

The Commission will now set the local public hearings, and will direct Ameren Missouri to provide notice of the local public hearings to their customers.

**THE COMMISSION ORDERS THAT:**

1. The Commission's Public Policy and Outreach Department shall make an informal presentation and conduct a question-and-answer session for the public at the

beginning of each local public hearing. Comments to the Commission from the public will begin at the conclusion of the question and answer session.

2. Ameren Missouri, the Staff of the Missouri Public Service Commission (Staff), and the Office of the Public Counsel shall make a representative available to address substantive issues during the question-and-answer sessions. Any other party may also choose to have a representative present.

3. No later than ten days before the local public hearings, Ameren Missouri shall provide notice of the hearings to each of its customers. Such notice shall use the following language:

**NOTICE OF LOCAL PUBLIC HEARINGS  
ON AMEREN MISSOURI’S ELECTRIC RATES**

On August 1, 2022, Union Electric Company d/b/a Ameren Missouri filed a general rate request with the Missouri Public Service Commission (“Commission”) designed to increase Ameren Missouri’s annual gross revenues (exclusive of applicable gross receipts, sales, franchise or occupational fees or taxes) from its Missouri electric retail customers by about \$316 million, or approximately 11.61%. About \$40.76 million of that annual increase is due to increases in Ameren Missouri’s fuel and purchased power costs. Ameren Missouri is requesting to rebase and continue its Fuel Adjustment Clause (“FAC”) with modifications. Ameren Missouri is proposing to increase its fixed residential customer charge from \$9.00 per month to the following:

Rate Plan	Proposed Fixed Monthly Residential Customer Charge
Anytime User	\$13
Evening/Morning Savers	\$13
Overnight Savers	\$13
Smart Savers	\$11
Ultimate Savers	\$9

While the amount will vary by residential rate plan and usage pattern, Ameren Missouri is proposing to increase the monthly bill of a residential customer using about 1,017 kilowatt-hours of electricity by approximately \$12.28, or 11.64%. Ameren Missouri estimates that, on average, its proposed rate increase will have the following annual customer bill impacts:

Service and Rate Classification	Annual Bill Change \$	Bill Change %
1(M) Residential Service	\$147.43	11.64%
2(M) Small General Service	\$245.70	11.64%

<b>Service and Rate Classification</b>	<b>Annual Bill Change \$</b>	<b>Bill Change %</b>
3(M) Large General Service	\$6,024.06	11.58%
4(M) Small Primary Service	\$40,712.69	11.53%
11(M) Large Primary Service	\$378,627.26	11.59%
5(M) Lighting - Company Owned	\$83.51	11.49%
6(M) Lighting – Customer Owned	\$246.39	13.91%

If the Commission approves Ameren Missouri’s request to continue its FAC, Ameren Missouri will continue to adjust (credit or bill) the “Fuel Charge” on its electric customers’ bills three times each year, on February 1st , June 1st, and October 1st, based on each customer’s electrical usage and the difference between Ameren Missouri’s actual energy cost (i.e., the varying costs of fuel used to generate electricity at its generating units plus electric energy it purchases on behalf of its customers) and its base energy cost during each four-month accumulation period. For a residential customer using 1,017 kilowatt-hours of electricity a month, Ameren Missouri estimates that the impact of rebasing energy costs in its FAC equates to an increase in such a customer’s usage charges of \$1.58 per month.

The Commission will host question-and-answer sessions for the public followed by local public hearings at the following locations and times (live unless designated virtual where public participation is by WebEx video or by telephone).

The Commission will not attend the informal question and answer sessions. Immediately following each informal question and answer session, the Commission will conduct a formal local public hearing to receive testimony or other evidence from members of the public. If you are not a party to this case, you may testify or offer other evidence to the Commission during a local public hearing. Anyone may attend the informal question and answer sessions and the local public hearings; however, the Commission may limit members of the public from testifying or presenting evidence at more than one local public hearing.

To facilitate an orderly hearing that can be preserved for the record, members of the public who wish to testify or present other evidence to the Commission during a local public hearing should register by sending their first and last name to [pscinfo@psc.mo.gov](mailto:pscinfo@psc.mo.gov) or by calling 1-800-392-4211 by 5 PM the day before the hearing.

To attend a virtual local public hearing by telephone, at the time of the hearing call toll-free 1-855-718-6621, listen to the prompt and enter the meeting number followed by # (pound/hashtag symbol). If prompted for a passcode, enter 0337. To attend a virtual local public hearing by Webex video (internet), visit the website [www.webex.com](http://www.webex.com). You can also download the Cisco WebEx meetings application on your mobile device, laptop, desktop or tablet prior to the hearing and join the meeting at the hearing time by entering the corresponding meeting number and passcode listed above.

Additionally, a live audio web stream at the Commission's website, [www.psc.mo.gov](http://www.psc.mo.gov), will provide audio of the question and answer session and hearing. Anyone who does not intend to participate in the question-and-answer session or speak to the Commission during the hearing should listen via the web stream.

Local public hearings are an opportunity for members of the public to testify or present other evidence directly into the record Commissioner's review.

Separate from the local public hearing, anyone wishing to comment on, or inquire about, Ameren Missouri's request may do so as follows:

Submit your public comments at [https://psc.mo.gov/General/Submit\\_Comments](https://psc.mo.gov/General/Submit_Comments) (please reference case number ER-2022-0337)

The Commission will conduct an evidentiary hearing at its offices in Jefferson City beginning April 3, 2023, to receive evidence from the parties to Case No. ER-2022-0337 regarding Ameren Missouri's general rate request. Members of the public may attend this hearing, except those portions the Commission closes to the public to prevent the public disclosure of sensitive information that may cause irreparable harm. This hearing will be held in a building that meet accessibility standards required by the Americans with Disabilities Act.

If additional accommodations are needed for someone who wishes to participate in or attend any hearing, please call the Commission's Hotline at 1-800-392-4211 (voice) or Relay Missouri at 711 prior to that hearing.
