

MEMORANDUM

TO: D. Michael Hearst
Secretary

FROM: Edward J. Cadieux
Hearing Examiner

DATE: September 16, 1980

Attached please find a handwritten cover letter and "Motion to Intervene in Case No. ER-80-190" submitted by Mr. James L. Carl, dated September 11, 1980. I have reviewed said documents and it is my opinion that the "Motion" should be filed in the official case papers as a Motion to Intervene in this case.
