

May 23, 2000
Jeff Welsh
Central Band

Sir,

We are concerned (as many of our fellow residents) about the wording of the Declaration of Covenamts and Conditions in the contract mailed to us April 11, 2000.

It follows the path of most of our correspondence. Nothing is made clear and if so changes with each notice we receive form them. One hand doesn't seem to know what the other hand is doing or saying.

Jay Don and Carole Deckard
