THE EMPIRE DISTRICT ELECTRIC COMPANY
CASE NO. ER-2008-0093**

Bad Debt Expense	1
Amortization of December 2007 Ice Storm	2

1 reviewed by the Staff does suggest some level of relationship between these two items. The
2 Staff is also aware that the Commission recently ordered a factor-up of bad debt expense to
3 take into account the amount of rate relief granted in Case No. ER-2006-0314, Kansas City
4 Power & Light Company. Therefore, the Staff now recommends its bad debt factor be
5 applied to the amount of the Staff's total direct case rate increase recommendation, as
6 suggested in Empire witness, Mr. W. Scott Keith's rebuttal testimony. This results in an
7 increase to the Staff's adjusted level of bad debt expense in this case of approximately
8 \$165,000.

9 Q. Should this adjustment be further updated to reflect the final amount of rate
10 relief granted to Empire in this proceeding?

11 A. Yes.

12 **AMORTIZATION OF DECEMBER 2007 ICE STORM**

13 Q. Have the Company, the Staff and the Office of the Public Counsel reached an
14 agreement in part concerning rate treatment for the December 2007 ice storm?

15 A. Yes. The parties submitted an unopposed Non-Unanimous Stipulation and
16 Agreement as to Certain Issues (Stipulation) to the Commission on April 4, 2008. The
17 Stipulation called in concept for a five-year amortization to expense for December 2007 ice
18 storm costs in this proceeding, with no rate base treatment of the unamortized balance of ice
19 storms costs. However, no specific amount of the amortization was specified in the
20 Stipulation, to give the signatory parties an opportunity to review the Company's accounting
21 for these costs.

22 Q. What is the Staff's recommended amount of December 2007 ice storm
23 amortization to include in its case?

Surrebuttal Testimony of
Amanda C. McMellen

1 A. After a review of Empire's records concerning this event, the Staff is
2 proposing to include \$1,710,149 in the cost of service for amortization expense for the
3 December 2007 ice storm.

4 Q. Does this conclude your surrebuttal testimony?

5 A. Yes, it does.
