

BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI

In the Matter of Union Electric Company, d/b/a)	
AmerenUE's Tariffs to Increase Its Annual)	<u>Case No. ER-2008-0318</u>
Revenues for Electric Service)	Tariff Nos. YE-2008-0605

ORDER GRANTING THE APPLICATION TO INTERVENE OF
THE IBEW AND THE OPERATING ENGINEERS UNION

Issue Date: April 25, 2008

Effective Date: April 25, 2008

On April 4, 2008, Union Electric Company, d/b/a AmerenUE, filed a tariff designed to increase its annual revenues for electric service. The Commission suspended that tariff and established April 28 as the deadline for interested parties to file an application to intervene.

The International Brotherhood of Electrical Workers Locals 2, 309, 649, 702, 1439, and 1455, AFL-CIO and International Union of Operating Engineers Local 148 AFL-CIO, filed an application to intervene on April 14. The Unions represent a large number of employees at various AmerenUE facilities. More than ten days have passed since the Unions filed their application to intervene and no party has objected to that application.

The Commission finds that the interest of the Unions in this case is different from that of the general public, and may be adversely affected by a final order arising from this case. Furthermore, the Commission finds that allowing the Unions to intervene will serve the public interest. Therefore, in accordance with Commission Rule 4 CSR 240-2.075(4), the Commission will grant the application to intervene.

IT IS ORDERED THAT:

1. The Application to Intervene of the International Brotherhood of Electrical Workers Locals 2, 309, 649, 702, 1439, and 1455, AFL-CIO, and International Union of Operating Engineers Local 148 AFL-CIO, is granted.
2. This order shall become effective on April 25, 2008.
