**ORDER DISMISSING COMPLAINT
WITHOUT PREJUDICE**

Issue Date: April 29, 2015

Effective Date: May 29, 2015

Cloris and Ronald Torrey (Complainants) filed a complaint challenging Laclede Gas Company's request to enter their home in order to perform a safety inspection. Laclede filed a motion to dismiss the complaint. In its motion, Laclede informed the Commission that the complaint has been settled.¹ The Commission directed Complainants to file a statement by April 17, 2015, with the Commission verifying Laclede's information. Complainants failed to respond to the Commission's order.

Under Commission rule 4 CSR 240-2.116(3), a party may be dismissed from a complaint for failing to respond to a Commission order. Complainants have failed to respond to the Commission's order directing them to file a statement of whether this complaint has been settled. The Commission will therefore dismiss this complaint

¹ *Laclede Gas Company's Notice of Satisfaction of Complaint and Motion to Dismiss Complaint*. Filed February 3, 2015.

Because this complaint is not being dismissed on the merits of the complaint, but rather on procedural grounds, Complainants may refile the complaint; in which case it will be assigned a different case number.

THE COMMISSION ORDERS THAT:

1. This complaint is dismissed.
2. This order shall become effective on May 29, 2015.
3. This file shall be closed on May 30, 2015.
