

BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI

In the Matter of the PGA Filing for Laclede)
Gas Company.) **Case No. GR-2004-0273**

ORDER DIRECTING FILING OF SUPPLEMENTAL RECOMMENDATION

Issue Date: June 7, 2007

Effective Date: June 7, 2007

On December 29, 2005, the Staff of the Missouri Public Service Commission filed its recommendation for Actual Cost Adjustment balance disallowances for Laclede Gas Company's 2003-2004 ACA period. In addition, Staff set out several other recommendations. Laclede responded on February 27, 2006. Following negotiations and a technical conference, the Staff informed the Commission on August 24, 2006, that only the issue of swing supply demand charges remained contested. The Commission held an evidentiary hearing on that matter.

In order for the Commission to set the ACA balances and direct any follow-up with regard to Staff's other recommendations, the Commission needs to be apprised of the actual numbers which were agreed to. Therefore, the Commission will direct its Staff to file a supplemental recommendation stating which recommendations remain outstanding and what ACA balances should be set with or without a disallowance for swing supply demand charges.

The Commission will also set out a time for the other parties to respond.

IT IS ORDERED THAT:

1. No later than June 14, 2007, the Staff of the Missouri Public Service Commission shall file a supplemental recommendation stating which recommendations remain outstanding and what ACA balances should be set with or without a disallowance for swing supply demand charges.
2. Responses to Staff's supplemental recommendation shall be filed no later than June 20, 2007.
3. This order shall become effective on June 7, 2007.
