NOTICE OF CORRECTION TO THE ELECTRONIC RECORD

Issue Date: March 2, 2009

The Commission has learned that several exhibits the Commission admitted into the record were not entered into the Commission's electronic filing system (EFIS). Specifically, Exhibit 78, which is a prospective training overview offered by AmerenUE, was admitted into evidence at page 2510 of the transcript, but does not appear in EFIS. In addition, the non-proprietary and highly confidential versions of the direct and surrebuttal testimony of James Dauphinais, which were marked as exhibits 602, 603, 604, and 605, were admitted into evidence as a result of the Order Approving Stipulation and Agreement as to Off-System Sales Related Issues, but do not appear as exhibits in EFIS. Finally, the surrebuttal testimony of Michael Gorman, which the Commission admitted into evidence as exhibit 615 at page 2830 of the transcript, does not appear as an exhibit in EFIS.

So the electronic record will be complete, the Commission has directed its data center to include the missing documents in EFIS.
