**HALO WIRELESS, INC.'S MOTION  
TO EXTEND DEADLINE TO FILE RESPONSIVE PLEADINGS**

COMES NOW, Halo Wireless, Inc. ("Halo"), by and through counsel for Transcom Enhanced Services, Inc., pursuant to authorization received from the attorney representing Linda Payne in her capacity as Chapter 7 Trustee of Halo (the "Trustee"), and moves to extend the deadline to file an answer or other pleadings responsive to the Complaint ("Complaint") of the Staff of the Missouri Public Service Commission ("Commission") filed in this case based on the following:

On October 16, 2012, the Staff initiated this proceeding by filing the Complaint. On October 22, 2012, the Commission entered its Order Giving Notice of Contested Case and Establishing Deadline for Answers ("Order"). The Order set the deadline for filing an answer or other pleading responsive to the Complaint as November 21, 2012. The Trustee is still evaluating this matter in light of Halo's status in Chapter 7 and seeks additional time to finalize that evaluation.

Halo respectfully requests that the Commission enter an order extending the deadline for Halo to file an answer or other responsive pleadings in this matter for sixty days until January 15, 2013. A similar request was granted for Transcom, so no party would be prejudiced by granting

this Motion. Further, undersigned counsel spoke with Staff Counsel, Colleen M. Dale, on November 20, 2012, and she advised that Staff would not object to the extension being sought herein.

WHEREFORE, premises considered, Halo prays that the Commission enter an order extending the deadline for Halo to file responsive pleadings in this matter for sixty days until January 15, 2013.

Respectfully submitted,
