## ORDER GRANTING APPLICATIONS TO INTERVENE

Issue Date: June 22, 2020

Effective Date: June 22, 2020

On May 18, 2020, Spire Missouri Inc. (Spire) filed the above-referenced application. The Commission issued notice, and received intervention requests from Midwest Energy Consumers Group, Renew Missouri, Missouri Industrial Energy Consumers, and the National Housing Trust. Commission Rule 20 CSR 4240-2.080(13) allows parties ten days to respond to pleadings unless otherwise ordered by the Commission. The Commission issued no order to the contrary of that rule, more than ten days have elapsed since the applications to intervene, and no party has objected. Thus, the Commission will take up the applications for intervention unopposed.

Commission Rule 20 CSR 4240-2.075(4) allows the Commission to grant intervention to a person who has an interest different from that of the general public and which may be adversely affected by a final order arising from the case, or if granting intervention would serve the public interest. Upon review of the unopposed applications, the Commission finds that the applicants meet the standard in Commission Rule 20 CSR 4240-2.075(4). Therefore, the Commission will grant the applications to intervene.

**THE COMMISSION ORDERS THAT:**

1. The applications to intervene filed by Midwest Energy Consumers Group, Renew Missouri, Missouri Industrial Energy Consumers, and the National Housing Trust. are granted.
2. This order shall be effective when issued.
