LIST OF ISSUES
ORDER OF WITNESSES AND ORDER OF CROSS

COMES NOW the Parties to the case and submit the following list of issues, list of witnesses and the order of cross examination:

1. Given that MGE is entitled to recover in rates only its prudently-incurred gas costs, should the amount MGE is entitled to recover be reduced by \$4,057,592 because of Staff's claim that MGE imprudently contracted for an excessive amount of pipeline capacity based upon its reliance on an allegedly unreasonable and inadequate capacity forecasting methodology, or should there be no disallowance because of MGE's claim that Staff's approach and calculations are allegedly unreasonable and flawed?

List of Witnesses:

For MGE: John J. Reed, David N. Kirkland
For Staff: Lesa A. Jenkins

Order of Witnesses to be called and day on which they are expected to appear:

| John J. Reed | Monday, August 28, 2006 |
