OF THE STATE OF MISSOURI

In the Matter of Missouri Gas Energy's Purchased)	
Gas Adjustment (PGA) Factors to be Audited in Its)	<u>Case No. GR-2005-0104</u>
2003-2004 Actual Cost Adjustment)	

ORDER SUSPENDING PROCEEDINGS

Issue Date: April 28, 2006

Effective Date: April 28, 2006

The Staff of the Commission has completed its audit of Missouri Gas Energy's 2003-2004 Actual Cost Adjustment and has recommended monetary adjustments related to two issues. Both issues are pending before the Commission in earlier MGE ACA cases, and the 2003-2004 ACA audit cannot be resolved until those earlier cases are resolved. The Commission has declined to consolidate this case with the earlier cases because consolidation would delay resolution of the earlier cases. However, it would be pointless to proceed in this case until the Commission has decided the earlier cases. Therefore, the Commission will suspend this case, without a procedural schedule, until those earlier cases are resolved.

IT IS ORDERED THAT:

1. Proceedings in this case are suspended until further order of the Commission.

2. This order shall become effective on April 28, 2006.
