**ORDER DIRECTING PARTIES TO FILE
SEPARATE STATUS UPDATES**

Issue Date: November 7, 2011

Effective Date: November 7, 2011

As a result of the hearing held on November 4, 2010, the parties agreed to file briefs relevant to documents admitted into evidence. The Commission did not set a briefing schedule, but left it to the parties to decide when they would file briefs. That was in January of 2011. The parties have yet to file briefs.

Because the parties have presumably been unable to agree on a time frame for filing briefs and thus moving this matter forward, the Commission will not assume the parties agree on the status of this case. Hence, the Commission will direct the parties to file separate status updates.

THE COMMISSION ORDERS THAT:

1. Laclede Gas Company shall file a status update no later than November 18, 2011.
2. The Staff of the Commission shall file a status update no later than November 18, 2011.
3. The Office of the Public Counsel shall file a status update no later than November 18, 2011.

4. This order shall become effective upon issuance.

BY THE COMMISSION

pursuant to Section 386.240, RSMo 2000.
