Effective Date: November 12, 2013

Lynn Gray has filed a complaint against Laclede Gas Company. The company has answered and the Staff of the Commission has filed a recommendation.

This matter is now at issue and a prehearing conference and procedural schedule are appropriate to ensure a resolution. At the prehearing conference, the parties or their representatives should be prepared to discuss the nature of any discovery each will conduct and the interval necessary for its completion; the number of witnesses each expects to call at hearing; the number and nature of any exhibits each expects to offer at hearing; the anticipated length of the hearing; and, the current status of settlement negotiations. It is expected that the prehearing conference will provide an opportunity for the parties to further pursue settlement discussions.
