FIFTH STATUS REPORT

Comes now the Staff of the Missouri Public Service Commission and for its *Fifth Status Report*, states to the Missouri Public Service Commission as follows:

1. On June 21, 2005, the Commission issued an *Order Directing Filing*, wherein it ordered that the Staff file a status report concerning the implementation of the Ralls County Circuit Court *Judgment and Order of Preliminary Injunction against Defendant Ken Jaeger* in State of Missouri ex rel. Jeremiah W. (Jay) Nixon, the Missouri Clean Water Commission and the Missouri Department of Natural Resources v. Ken Jaeger, Case No. CV805-12cc.

2. Staff contacted the Missouri Department of Natural Resources (DNR) staff and can report the following:

a. The period for submitting a preliminary engineering report to DNR by Ken Jaeger (Respondent) was extended to August 4, 2005. This extension was by agreement of all parties and was due to differences of opinion regarding technical issues between DNR and the engineers hired to prepare said report.

b. The period for submitting a construction permit application for the collection system servicing Lost Valley Subdivision and application for a Missouri State

Operating Permit to DNR and Respondent was also extended to August 4, 2005, by agreement of the parties.

c. That the Respondent has been performing all lagoon pump down, operations and maintenance of the system to the satisfaction of DNR.

WHEREFORE, the Staff submits its *Fifth Status Report* to the Commission.

Respectfully submitted,

DANA K. JOYCE
General Counsel
