ORDER EXTENDING TIME FOR STATUS REPORT

Issue Date: July 6, 2023

Effective Date: July 6, 2023

The Commission granted a motion to suspend the filing of a proposed procedural schedule in this case due to a pending settlement agreement in the general rate case of Union Electric Company d/b/a Ameren Missouri, File No. ER-2022-0337. That agreement purportedly may resolve the issue raised in these two complaints.

The Commission set a time for a status update in this case to correspond with the operation of law date in File No. ER-2022-0337, which was July 1, 2023. No status report was received; however, the compliance tariff sheets implementing the agreement in File No. ER-2022-0337 do not become effective until July 9, 2023. Therefore, the Commission

will extend the deadline for a status report to be filed in this case to come after the effective date of the compliance tariff sheets in File No. ER-2022-0337.

THE COMMISSION ORDERS THAT:

1. OPC shall file a request for an extension of time or a status report regarding this matter no later than July 19, 2023.
2. This order shall be effective when issued.
