Missouri Public
Service Commission

Please Approve the Grain Belt Express Clean Line

Dear Missouri Public Service Commissioners:

The Grain Belt Express Clean Line is a pro-jobs, pro-consumer, pro-environment project. I hope that you will enable Missourians to access some of our Country's best wind energy resources with this innovative project.

Please Approve the Grain Belt Express Clean Line

Dear Missouri Public Service Commissioners:

Missouri needs the Grain Belt Express Clean Line. Relying on harmful coal fired power for more than 80% of our electricity mix is dangerous to our health and our future. Please help Missouri diversify its energy future with more clean wind energy.

Jefferson City, MO 65101

Please Approve the Grain Belt Express Clean Line

Dear Missouri Public Service Commissioners:

Missouri needs the Grain Belt Express Clean Line. Relying on harmful coal fired power for more than 80% of our electricity mix is dangerous to our health and our future. Please help Missouri diversify its energy future with more clean wind energy.

Please Approve the Grain Belt Express Clean Line

Dear Missouri Public Service Commissioners:

Missouri's energy infrastructure is out-of-date, polluting our air and water, and harming public health. The Grain Belt Express Clean Line is needed to provide low-cost, clean energy for Missourians. Please approve this much-needed project!

Please Approve the Grain Belt Express Clean Line

Dear Missouri Public Service Commissioners:

Missouri needs the Grain Belt Express Clean Line. Relying on harmful coal fired power for more than 80% of our electricity mix is dangerous to our health and our future. Please help Missouri diversify its energy future with more clean wind energy.
