Paragraph (K) – Actions, Judgments, and Decisions; Paragraph (L) – Fees²

6. II. 20 CSR 4240-4.017

8. Ameren Missouri requests a variance from the 60-day notice requirement of 20 CSR 4240-4.017, which states, in relevant part:

Any person that intends to file a case shall file a notice with the secretary of the commission

² Paragraph (J) does not apply to the Ameren Missouri.

a minimum of sixty (60) days prior to filing such case....

Pursuant to 20 CSR 4240-4.017(1)(D), waivers of the 60-day notice requirement may be granted for good cause shown. The rule further provides that good cause includes "... a verified declaration from the filing party ... that circumstances prevented filing the required notice and delaying the filing for sixty (60) days would cause harm."³ As indicated in the *Verification and* attached as Schedule 2 to this *Application*, the Company filed a 60-day notice on December 20, 2021 so that the 60-day timeframe would conclude on February 18, 2022, but delaying the filing until then (for 15 days) would cause harm in the form of potential market volatility. Accordingly, Ameren Missouri has established good cause for a waiver from the 60-day requirement of 20 CSR 4240-4.017(1). No other public utility will be affected by granting the Company a waiver from this requirement.

III. 20 CSR 4240-2.080(14)

9. As provided for in 20 CSR 4240-2.080(14), the Company requests that the Commission approve this *Application* so that the order will be effective on and after March 26, 2022. The requested New Indebtedness is described in detail

below. There will be no harm on the Company's customers or the general public in approving this indebtedness on an expedited basis as requested herein. This *Application* was filed as soon as it could be in light of forecasted financial needs.

³ Pursuant to the Commission's *Order Waiving 60-Day Notice Requirement* issued on August 1, 2017, in File No. WM-2018-0023, the examples of good cause provided in the rule are not exclusive, and the Commission may find that good cause has been established by other circumstances.

IV. 20 CSR 4240-10.125, Paragraphs (1)(A) through (1)(G), and Paragraph (2)

Paragraph (1)(A) – Description of Issuance

10. Applicant proposes to issue and sell from time to time, in one or more transactions, up to \$525,000,000 aggregate principal amount of New Indebtedness in one or a combination of the following forms, with such terms and provisions as are hereinafter described in this *Application*: first mortgage bonds or other forms of secured indebtedness (including senior secured debt securities secured by a corresponding series of first mortgage bonds). First mortgage bonds issued as collateral for other debt shall not count toward the authorized amount applied for in this proceeding. The proceeds will be used solely by the Applicant.

P

Paragraph (1)(C) – Terms of the Proposed Securities

12. The general terms and conditions of the New Indebtedness are as follows:
 - a. The New Indebtedness will be issued at prices and on terms to be determined at the time(s) of sale. The aggregate principal amount, rate and date of payment of interest, maturity, initial public offering price, redemption provisions, if any, and other specific terms of each series of the New Indebtedness will be determined based upon prevailing market conditions. The price to be paid to Applicant for the various series of the New Indebtedness will not be less than 92% of the aggregate principal amount thereof; the terms of maturity for the various series of the New Indebtedness will not exceed 40 years (or longer tenor if comparable to maturities of similar securities issued by other issuers); the interest rate when issued will not exceed the greater of (i) 5.00%, or (ii) a rate that is consistent with similar securities of comparable credit quality and maturities issued by other issuers considering prevailing financial market conditions at the time; and one or more series of the New Indebtedness may include terms providing that the series will not be redeemable at all for a certain period of time.
 - b. The New Indebtedness will be offered to the public or privately placed (or a combination of both) through commercial or investment banking firms or groups of firms selected through negotiation and/or competitive bidding. Sales of the New Indebtedness could be through underwriters or dealers, directly to a limited number of purchasers or to a single purchaser, or through agents designated by Applicant. Compensation to be paid for underwriting or privately placing the New Indebtedness will be determined based on prevailing financial market conditions.

c. The New Indebtedness, if senior secured debt securities, will be issued under an indenture dated as of August 15, 2002, between Applicant and The Bank of New York Mellon, as trustee, a copy of which was filed with the Commission in File Nos. EF-2000-385 and EF-2003-0514 and is incorporated by reference herein.

d. The New Indebtedness, if first mortgage bonds, will be issued under the Indenture of Mortgage and Deed of Trust dated June 15, 1937, as amended May 1, 1941, April 1, 1971, February 1, 1974, July 7, 1980, February 1, 2000, August 15, 2002 and May 15, 2012 between Applicant and The Bank of New York Mellon, as successor trustee, as supplemented by one or more supplemental indentures relating to the first mortgage bonds (collectively the “Mortgage”). A copy of Applicant’s Indenture of Mortgage and Deed of Trust was filed with this Commission in Case No. 9,632; a copy of the May 1, 1941 Amendment was filed with this Commission in Case No. 10,050; a copy of the April 1, 1971 Amendment was filed with this Commission in Case No. 17,177; a copy of the February 1, 1974 Amendment was filed with this Commission in Case No. 17,960; a copy of the July 7, 1980 Amendment was filed with this Commission in File No. EF-80-306; a copy of the February 1, 2000 Amendment and the August 15, 2002 Amendment were filed with this Commission in File No. EF-2003-0514; and a copy of the May 15, 2012 Amendment was filed with this Commission in File No. EF-2012-0463; all of which are incorporated herein by reference. Applicant may issue first mortgage bonds with a “fall-away” provision (including in connection with an issuance of senior secured debt securities), which allows at some future date for the bonds (or senior secured debt securities) to no longer be secured by the Mortgage and become

unsecured obligations, a feature of the first mortgage bonds that have been issued pursuant to authorization from this Commission granted in previous cases.

e. Applicant proposes to issue the New Indebtedness under its existing authority from the Securities and Exchange Commission (“SEC”), for such securities issued in public transactions, or pursuant to private placement with or without registration rights. In October 2020, Applicant filed a Form S-3 registration statement with the SEC registering the issuance of an unspecified amount of the New Indebtedness which expires in October 2023.

13. The Company will promptly, after the issuance and sale of each series of New Indebtedness, submit to the Commission’s Financial & Business Analysis Department a report of the final terms and conditions of each series and the use of proceeds from the issuance and sale.

Paragraph (1)(D) – Certified Copy of Resolution

14. Pursuant to Section 2 of 20 CSR 4240-10.125, a certified copy of the resolutions of the Company's Board of Directors authorizing the issuance and sale of the New Indebtedness will be provided as soon as possible after it is obtained.

Paragraph (1)(E) – Balance Sheet and Income Statement

15. Pursuant to 20 CSR 4240-10.125(2), the preliminary financial statements of Applicant and consolidated Ameren Corp. as of December 31, 2021, (with pro forma adjustments consistent with the proposed transactions described in Paragraph 10 above) as specified in 20 CSR 4240-10.125(1)(E), and the capitalization ratios of Applicant as of December 31, 2021, including such ratios with pro forma adjustments, is attached as Confidential Schedule 3 (Applicant) and Confidential Schedule 4 (Ameren Corp.).

Paragraph (1)(F) – Fee Schedule Applicability

16. Applicant expects to use most, if not all, of the proceeds from the issuance and sale of the New Indebtedness to refinance short-term debt for which no fee is required pursuant to Section 386.300, RSMo. because the proposed issuances of New Indebtedness will be used to discharge, refund or retire outstanding indebtedness. However, any proceeds from the issuance and sale of the New Indebtedness in an amount that exceeds the Applicant's short-term debt balance on the date prior to issuance will be used to fund near-term capital expenditures for which a fee will be required and paid to the Commission.

Paragraph (1)(G) – Five-Year Capitalization Expenditure Schedule

17. A five-year capitalization expenditure schedule is attached as Confidential Schedule 5.

V. Miscellaneous

18. Ameren Missouri is also including Confidential Schedule 6, which reconciles short-term debt incurred for the purposes of long-term capital projects specifically and individually disclosed in quarterly and annual filings with the SEC. For those capital expenditures not specifically and individually disclosed in SEC filings, Ameren Missouri shall provide an aggregate sum of the miscellaneous expenditures.

CONCLUSION

19. The issuance and sale of the New Indebtedness, as proposed and described herein, will not be detrimental to the public interest, and is reasonably required. To provide Applicant flexibility with respect to the issuance of the New Indebtedness, Applicant requests a Commission order in this proceeding be issued so that the order will become effective no later than March 26,

2022. Applicant also requests that the Commission order in this case be effective for a one-year term from its effective date.

WHEREFORE, for the foregoing reasons, Applicant respectfully requests the Commission issue an order effective for a one-year term, with an expedited effective date on or before March 26, 2022, authorizing Ameren Missouri to:

- (i) Issue and sell up to \$525,000,000 aggregate principal amount of New Indebtedness, as hereinabove set forth, at any time during the one-year period after the effective date of the order;
- (ii) Enter into, execute, deliver and perform the necessary agreements, indentures, notes, and other documents relative to the New Indebtedness;
- (iii) Do any and all other things not contrary to law or the rules and regulations of the Commission, incidental, necessary, or appropriate to the performance of any and all acts specifically to be authorized in such order or orders; and
- (iv) Comply with such other provisions as the Commission may deem just and proper.

Respectfully Submitted,
