MOTION FOR LEAVE TO FILE CORRECTED SCHEDULE

COMES NOW Union Electric Company d/b/a Ameren Missouri ("Company" or "Ameren Missouri") and requests leave to file a corrected schedule to the direct testimony of J. Neil Graser and, in support of its motion, states as follows:

- 1. On March 30, 2022, the Company submitted a tariff sheet, testimony, and workpapers to implement an adjustment to its Fuel Adjustment Rates ("FARs") arising from the 39th Accumulation Period under its Fuel Adjustment Clause tariff (Rider FAC). Specifically, the filing included direct testimony from Mr. J. Neil Graser. Mr. Graser's direct testimony includes Schedule JG-FAR.
- 2. Since its original filling, a minor calculation error was found in one of the tabs of the schedule.¹ The error has no effect on the calculation of the applicable net energy costs or any component thereof, or on the requested FARs. Instead, it deals with the calculation of the sub-rate cap provided for by Section 393.1655.6, RSMo. (Cum. Supp. 2022). Both before and after correction of the calculation error, that sub-rate cap is not triggered.
- 3. So that the record contains the correct information, the Company requests leave to substitute the attached schedule.

_

¹ The error was discovered during Staff's review of the filing.

WHEREFORE, the Company prays for an order granting it leave to substitute the attached corrected Schedule JG-FAR for the original schedule filed on March 30, 2022.

Respectfully Submitted,
