 - 3. The parties shall comply with the following procedural requirements:
 - (A) Testimony shall be prefiled as defined in Commission Rule 4 CSR 240-2.130. All parties must comply with this rule, including the requirement that testimony be filed on line-numbered pages.
 - (B) Although not all parties may agree upon how each issue should be described, or on whether a listed issue is in fact a proper issue, the parties shall agree upon and Summit shall file a list of the issues to be heard, the witnesses to appear on each day of the hearing, the order in which they will be called, and the order of cross-examination for each witness. The list

of issues should be detailed enough to inform the Commission of each issue that must be resolved. The Commission will view any issue not contained in this list of issues as uncontested and not requiring resolution by the Commission.

- (C) Each party shall file a simple and concise statement summarizing its position on each disputed issue. Position statements shall track the list of issues. Any position statement shall set forth any order requested, cite any law authorizing that relief, and allege facts relevant under the law with citations to any pre-filed testimony in support.

Briefs shall follow the same list of issues as filed in the case and must set forth and cite the proper portions of the record concerning the remaining unresolved issues that are to be decided by the Commission.
- (E) If testimony or documents are prefiled and served upon the parties before a hearing, a party need only provide a copy of the testimony or document to the court reporter to be marked as an exhibit at the hearing. If not prefiled and served upon the parties, then a party who has a document marked for use at the hearing shall have sufficient copies of the document to provide a copy not only to the court reporter, but also to each Commissioner, the Presiding Officer, and counsel for each other party.
- (F) Exhibit numbers are assigned in the following manner:

1-49
50-99

The lists shall not be filed in the EFIS case file. Exhibits that may be offered during cross-examination, but which have not been pre-filed, need not be included on the list. However, when those documents are offered during the hearing, they will be assigned a number from that party's number group. 4. This order shall be effective when issued.
