

OF THE STATE OF MISSOURI

Case No. ET-2006-0194

ORDER DIRECTING FILING

Effective Date: November 23, 2005

On November 1, 2005, Kansas City Power & Light Company filed its low-income weatherization tariff. KCPL filed it to comply with the experimental regulatory plan the Commission approved in Case No. EO-2005-0329. The tariff is due to go into effect December 1.

The Staff of the Commission filed its Recommendation on November 18, and asked the Commission to approve the tariff. Then, on November 22, KCPL filed substitute sheets.

Because the effective date of the tariff is December 1, the Commission will order Staff to file its Recommendation no later than November 28.

IT IS THEREFORE ORDERED:

1. That the Staff of the Missouri Public Service Commission shall file its Recommendation no later than November 28, 2005.

2. That this order shall become effective on November 23, 2005.
