ORDER DIRECTING STAFF TO FILE EXPEDITED RECOMMENDATION

Issue Date: December 21, 2007

Effective Date: December 21, 2007

On December 21, 2007, Union Electric Company, d/b/a AmerenUE, filed a revised tariff that would implement a new Missouri statute, the "Net Metering and Easy Connection Act", which takes effect on January 1, 2008. That tariff carries an effective date of January 20, but AmerenUE has filed a motion asking the Commission to expedite its approval of the tariff to allow it to go into effect on January 1, when the statute takes effect.

AmerenUE has requested very fast consideration of its tariff, especially given the disruptions that will result from the upcoming holiday season. However, the Commission will attempt to consider the tariff before the requested January 1 effective date. To that end, the Commission will direct its Staff to file an expedited recommendation regarding the tariff. If Staff is unable to file a recommendation in the time allowed, it may instead file a pleading indicating when it will be able to file a recommendation.

IT IS ORDERED THAT:

1. The Commission's Staff shall file either its recommendation regarding Union Electric Company, d/b/a AmerenUE's tariff, or a pleading indicating when it will be able to file such a recommendation, no later than 3:00 p.m. on December 26, 2007.

2. This order shall become effective on December 21, 2007.
